Re: Extension of Preliminary Permit for groundwater application G2-30262.

Dear Mr. Blount:

The Department of Ecology issued a preliminary permit to the City of Fife to drill and test a well under ground water application G2-30262 on July 7, 2005. Absent an extension granted by the Department, this permit would have expired on July 7, 2007.

The Department grants you an extension to comply with the terms of this permit until July 7, 2009. There will be no additional extensions granted.

If you have any questions, please contact Jeff Marti at (360) 407-0275.
